

WHERE SHOULD YOU GO?

EMERGENCY DEPARTMENT VS. SAME DAY CLINIC

EMERGENCY DEPARTMENT FOR EMERGENCIES AND LIFE THREATENING CONDITIONS

Go to your closest Emergency Department or call 911 if you think you are experiencing a medical emergency.

- Chest pain or pressure
- Trouble breathing
- Severe bleeding
- Sudden numbness, weakness, or trouble speaking
- Major injuries or trauma
- Loss of consciousness
- Severe allergic reactions
- Severe pain

SAME DAY CLINIC FOR MINOR ILLNESSES AND INJURIES

The Same Day Clinic can quickly treat you for a variety of conditions, including:

- Influenza, COVID-19, RSV, and strep testing
- Skin problems and infections
- Strains and sprains
- Minor acute injuries
- Urinary tract infections (UTIs)
- Earaches
- Sore throats
- Upper respiratory infections

To schedule a Same Day appointment, call your preferred CNHS Health Center.
